Becky,  
Good luck in the future  
You are a very sweet person  
Love  
Guz

Becky,  
In all the years I've known you, I've  
never really gotten to know you like I have  
this year since you "skipped up" to join us.  
Remember all the good times we've had in  
Algebra, youth  
activities, and  
at basketball  
games. Good luck  
at Liberty.  
Love,  
Beth

Rebecca,

It's great that we finally  
became friends! I apologize  
again for being such a  
snob when I came back in  
January. That was just my  
western ways! That's over,  
though, and now we're friends.  
You are really a great  
gal and you have so much  
going for you! Don't ever  
worry about anything. God  
has a great plan for  
you, but you have to  
wait and see how great  
His plan will be.  
Stay sweet and lovable,  
and goofy. Thanks for  
the encouragement and  
keep in touch!

Love ya  
Amber

Becky,  
Boy, it must really  
be nice to be a senior.  
I can't wait to be a  
senior in '81. Hope you have  
a great summer. It's been  
really nice knowing you this  
year. Stay cool.

Becky,  
Your cousin isn't  
really as dumb and  
ugly as everybody  
makes him out to be.  
But his brother Keith is  
close. Good luck in  
the future and always  
remember our class  
and be sweet.

Love  
Jen

Dear Society, been  
 just this year. Remember  
 how on rehearsal night  
 for the Christmas Carol  
 we sat on the steps &  
 talked. How about the  
 other play when just a  
 guide said what makes  
 a nation great. Good  
 luck in college & your  
 & cover.

[illegible]

Becky,

Finally the year is almost over. I thought it would never end. I guess you did too since you're a senior this year. I'm really glad that we got to be close friends over the many years we know you. Don't forget all the good times we had over all the years. And all the devilish things we did. I guess since we're in different grades this year we haven't had a chance to talk very much but I hope that we can always be friends through the years. I hope that you have good luck through your life and that all goes well for you in whatever you do. Keep in touch over the summer and be good. Don't do anything I wouldn't do. H A H A Good luck always.

Love,  
Cherie

Becky,

Well it's all over for you now you are so lucky! Well it's been really great knowing you and I hope you find lots of success out in the world. By the way I saw Aimee the other day and he still has your picture but I don't know where! Well just keep cool with all the sleep and try and stay out of trouble.

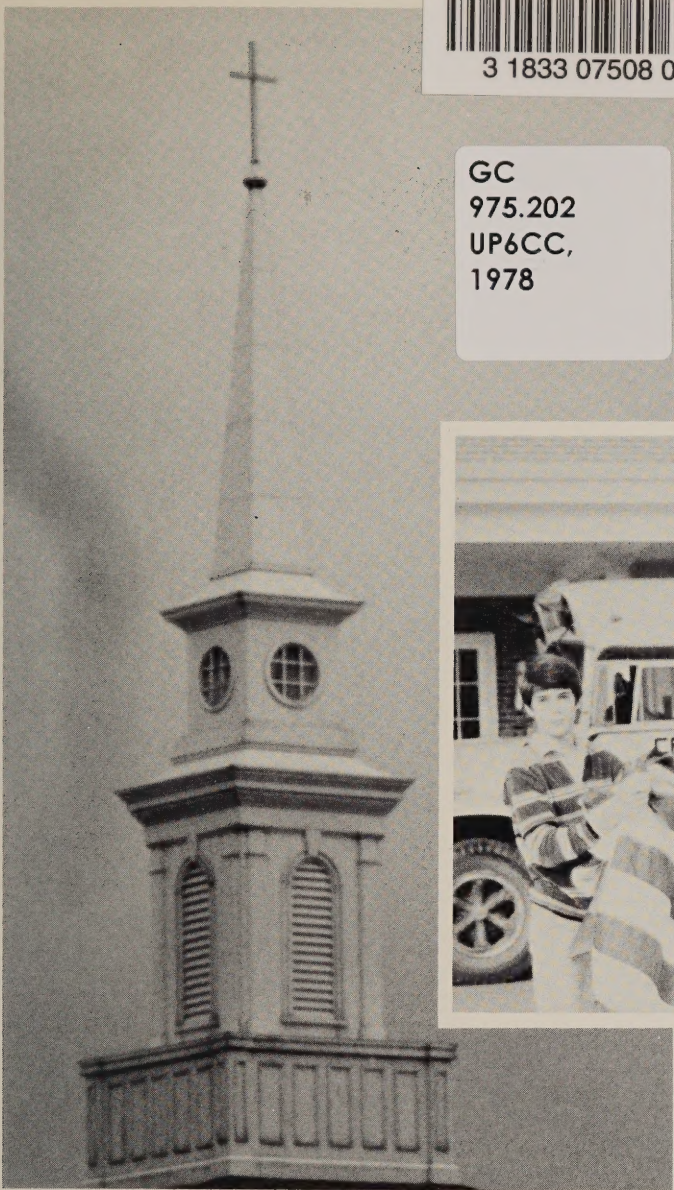

Love,  
Vicki 79.

*Capitol Christian  
Academy*

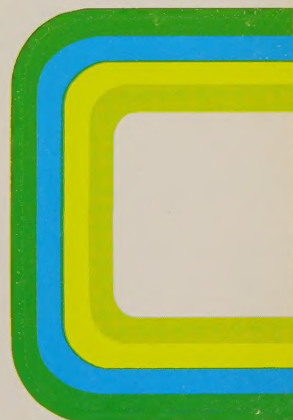

*610 Largo Rd.  
Upper Marlboro,  
MD 20870*

In a day when parents are seeking practical education, Capitol Christian Academy has stood for seventeen years as a beacon of hope to hundreds of parents of varying denominational backgrounds. Although the parents of our children have differing religious views, they share in common a desire to see the faith of the successful American taught to their children. They want their children to have a confident belief in the future, a confidence in responsible authority, a confidence in their personal destiny in God, and a settled conviction that they have the power in Christ to build a better world to the glory of their Creator. We have met and exceeded the highest expectations of many like yourself. We invite all who wish their children to be taught and nurtured in this conquering faith to investigate what has been "the answer" to so many. We owe our children the best — a quality education at Capitol Christian Academy. We know that the "habit of succeeding" can be taught.

My Pal! →

What a man. What a year. You really missed a good year in 11th grade but now at age 16 you're out on your own. Remember Mrs. Blazer and all the burnt sandwiches and hot milk. Keep God first always.

Yours  
George "Eldo" Cargill

Since Mr. Ellsworth McIntyre was entrusted with the leadership of CCA three years ago, he has not only maintained the high standards of the academy, he has built upon them. He is continually seeking ways to make the school better able to meet the needs of its students. The Lord has blessed his efforts greatly, and leaders of other Christian schools over much of the country speak high of CCA and its accomplishments.

Mrs. Juanez Cheek

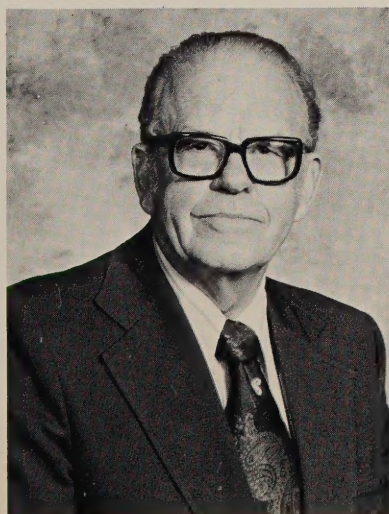

Mrs. Charlene O'Toole

Mrs. Mary Holt

Mrs. Evelyn Blazer

Rev. John Cooper, pastor of Capitol Baptist Church, was to a large degree responsible for the founding of CCA. He saw, almost two decades ago, the pressing need for a school that was not following the general downward trend of society as a whole. Today CCA continues to follow the uncompromising road of its founders.

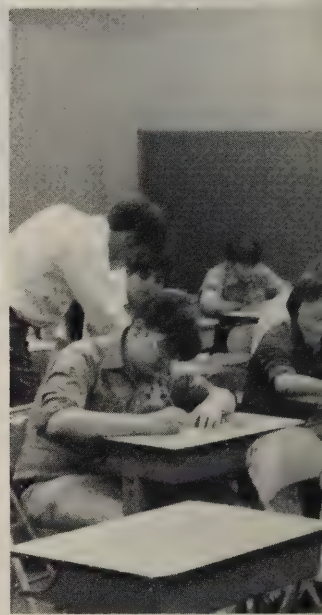

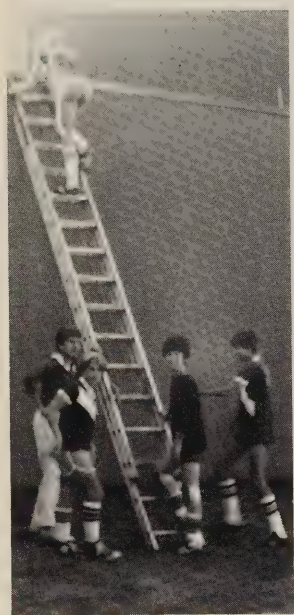

CCA has a complete kindergarten through high school program. Any student who completes thirteen years here has the assurance that he or she has been exposed to the best possible school environment. At the elementary level, basics are emphasized. Our children are taught how to read, write, and calculate. Even children who were supposed to be unteachable, have found that they are able to succeed at CCA, because they are taught by methods that have been proved to work, and not by the latest in new teaching fads.

As the child moves into the high school program, he is able to build upon his solid elementary foundation. Besides continuing to learn the basics of the English language, he learns to communicate, to listen, to observe and study the world in which he lives, and to behave responsibly, as an adult.

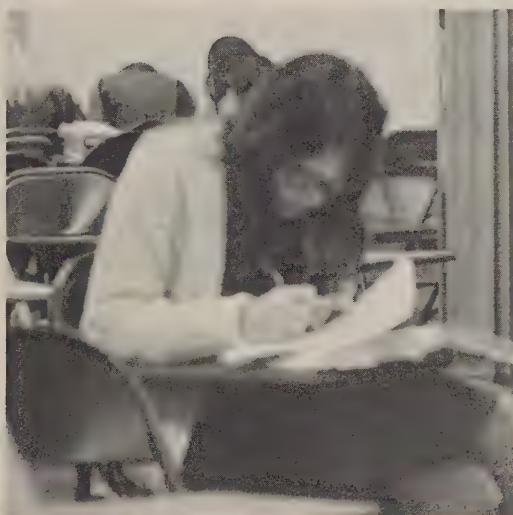

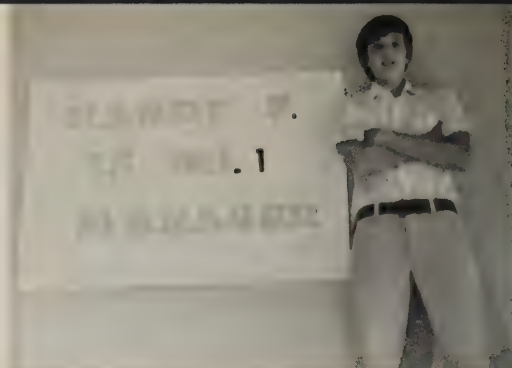

*ELEMENTARY*

*SECONDARY*

Always something to do . . . making numbers do what they are supposed to, for a change . . . figuring out who handed in the paper without the name . . . tidying up a bit . . . wondering whether to duck or run . . . learning that there are more wrong ways than there are right ways to sew a stitch . . . or just plain standing around, watching the world. Always something to do . . .

A Christian academy is a place where you learn, but never have any fun, right?

Wrong!

Things are not always easy, and on some days it doesn't seem worthwhile even getting out of bed; (test tomorrow . . . term papers due . . . homework . . . report cards . . .) but in between times, nothing refreshes quite like some cold water, some warm sunshine, a pep rally, and a quick rip down a sliding board.

# DEDICATION

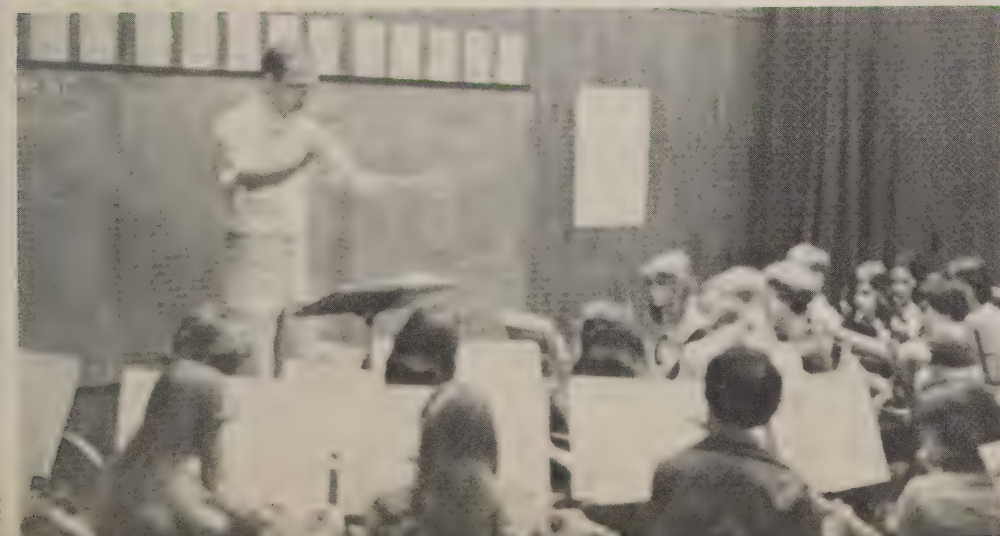

If the measure of how much a man has been blessed by the Lord is how well he is succeeding in his calling, then this man is surely being greatly blessed by his Creator. A few short years ago, CCA had a good choir, but no real instrumental program, and many people refused to believe that there ever could be such a program at this school. But the Lord sent a man whom He had especially gifted for the task at hand, and soon CCA had a properly organized band.

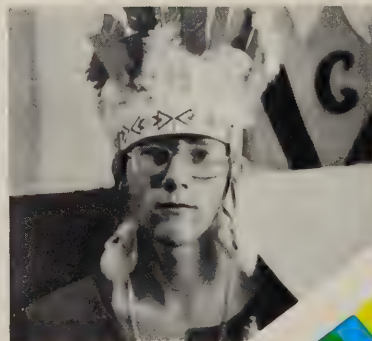

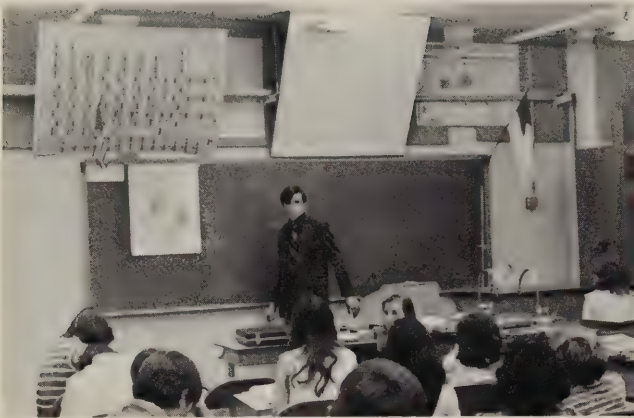

The band grew, and became more polished, and the choir, also under his direction, continued to grow also. More and more students were added to the program. The band and choir began to compete against other groups — and win; and the credit must go to the director.

Through his leadership, his guidance, and, above all, his example, the entire school has received the blessing of a truly first-rate musical program. He has taught, and also demonstrated, to his students the value of hard work, the virtue of self-discipline, and the reward that comes from relying, not on their own talent, abilities, or determination, but on Jesus Christ.

In recognition of his outstanding testimony, and in gratitude for the credit that he has brought to the entire Academy, we proudly dedicate the 1978 Ambassador to our music director,

**Mr. Nicholas Kozel**

Becky,  
So the end of the  
year is finally upon  
us. Wow! It's hard  
to believe that we've  
only known each  
other for only 1 year.

We've had many  
good times & some  
bad. Remember our talks.  
I thank you for a good  
ear & for all the help  
you've given me. Through  
all our ~~crushes~~ crushes we've  
had our times. Remember  
the play. Remember the Choir  
tour & Niagara Falls. Remember  
Kings Dominion. Remember lunch.  
I've enjoyed your friendship. Keep  
in touch. Put God 1st & remember to  
do what He wants & not what men  
want. May God bless one of my  
closest friends.

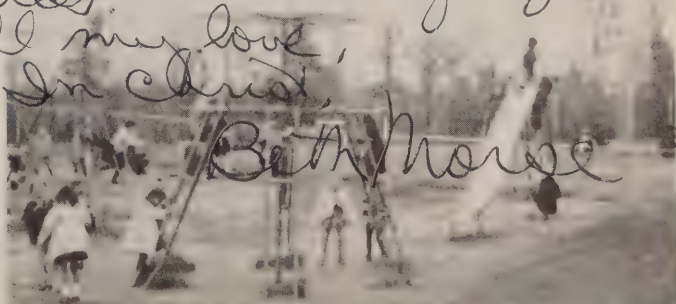

all my love,

# National Honor Society

CCA's outstanding scholastic record was recognized by the National Honor Society when the NHS granted CCA a charter. Normally the NHS does not grant chapters to private schools that do not have state accreditation, but CCA's level was so far above the state norm that an exception was made, making CCA one of the few private Christian schools in the nation to have an NHS chapter.

This year 20 new names were added to the Society: Doug McIntyre, Jenean Smith, and Mark Wilson, seniors; Mark Baker, Virginia Benner, Dave Duley, Doug Golden, Joy Harkleroad, Sue Kline, Fawn McIntyre, Carol Mulholland, and Lanny Schuessler, juniors; Linda Bast, Debbie Bice, Karen Cheek, Dana Golden, Cindy Owensby, Jeff Schuessler, Terrie Simpson, and Buddy Wimmer, sophomores.

These 20 joined Carolyn Bullock, Pam Keen, Kevin Konyha, Beth Meyer, Greg Schuessler, and Debbie Witter, as current members of the NHS.

A National Honor Society induction was the special feature of the January PTF meeting. Following the processional there was a program of special music by the CCA band and choir. A special feature of the induction ceremony was a presentation by six of the current NHS members of some of Aesop's fables, adapted to modern times. A reception was held after the ceremony.

Phil  
4:13

In December of 1977 CCA presented "A Christmas Carol", a play based on the work by Charles Dickens. The modern work told in clear terms of the dangers of allowing Christmas to become totally a secular holiday, with Christ removed entirely from the picture.

The presentation was organized and directed by Mr. Nicky Chavers, and the students involved in it learned a lot about the details of putting on a production of this sort, with emphasis on backstage work, such as make-up, lighting, props, stage settings, besides the acting that everybody sees.

The play was very well received by those who saw it, and will be long remembered by those who worked in it.

Pictured here are scenes from the actual production.

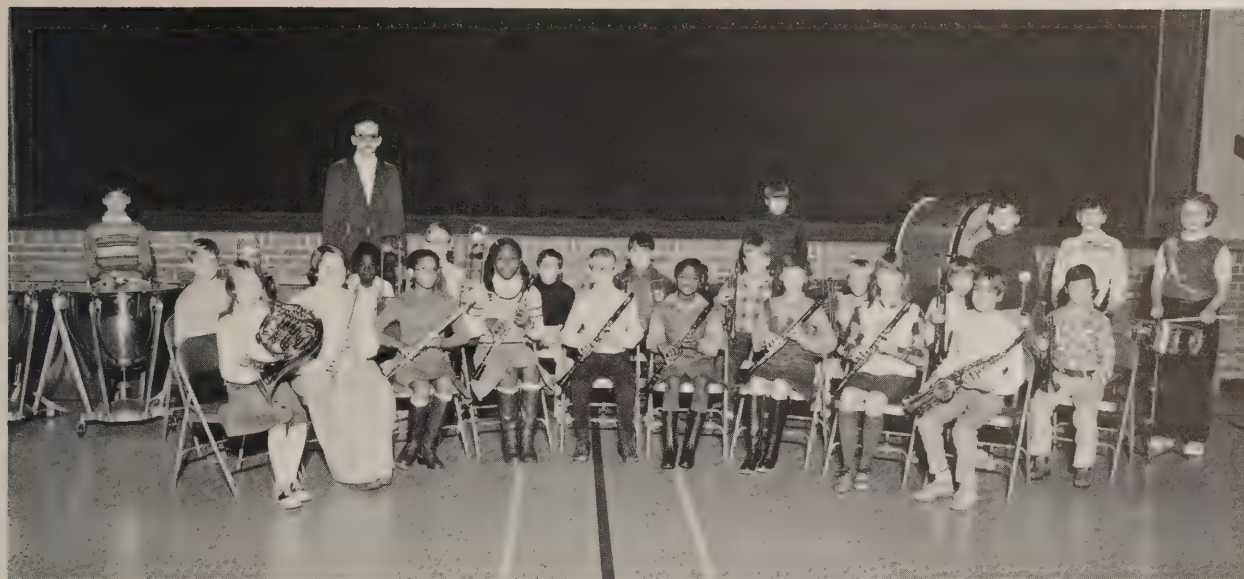

FIRST ROW: Carole Lucas, Charlton Ho, Linda Bast, Thais Armenta, Sheelah Watts, Dina Schmidt, Kathy Payne. Rehearsals may look relaxed, but much hard work goes into getting a song properly polished for public performance.

The director, you will recall, sets the example for the whole group. Let's not have any clowning around in the back, there!

# PUBLICATIONS

A lot of hard work goes into producing a yearbook. Everybody has to stay busy, and there's no time for frivolity.

It's not enough just to create a publication — it also must be sold. That means there has to be somebody like Pat Spencer and Caryn Schmidt (not pictured) to tally the orders and keep track of everything.

I know it's in here somewhere!

**YEARBOOK STAFF**  
(l-r): Pam Keen, George Fluty (editor), Gerry Smith, Mary Posa, Randy Frankland, Jenean Smith, Kevin Konyha, Scott Owens, Mike Kinner. **NOT PICTURED:** Pat Spencer, Caryn Schmidt.

Waiting for another lunchtime meeting to start . . .

Publication staff work demands writing skill, but it also requires a number of other talents. Therefore, students on the publication staffs often are involved in other activities, such as the National Honor Society (Fawn McIntyre, left), and the concert band (Bill O'Toole, right). The staffs contain a number of such dual representatives.
